

.015 BARBECUE Design Alberto Basaglia Natalia Rota Nodari

An icon of outdoor living, the barbecue has been developed for flame-grilling enthusiasts and is designed to either stand alone or in a series, thanks to its modularity. And of course everything is theft-proof. Bent pipe structure, diameter 18mm, made of hot-dip galvanized and polyester powder coated steel tube available in different colours. Galvanized braizer and stainless steel grill. Ready-equipped for fastening to the ground with suitable bolts.
