

VOLÉE PLASTIC BENCH Design Angelo Pinaffo

EXCLUSIVE DISTRIBUTION.

Designed by the company's R&D department in collaboration with designer Angelo Pinaffo, its key elements are strength and endurance, a performance achieved through the use of a reliable high-density stacking frame. VOLÉE PLASTIC has polypropylene seat and backrest, which are anti-UV treated for outdoor use, available also in the fire-retardant version. VOLÉE features a wide range of accessories and frame solutions to fulfil any seating need in all public spaces.
