

# VOLÉE EASY SOFT CANTILEVER WITH ARMS Design Angelo Pinaffo

**EXCLUSIVE DISTRIBUTION.** Designed by the company's R&D department in collaboration with designer Angelo Pinaffo, its key elements are strength and endurance, a performance achieved through the use of a reliable high-density stacking frame. The EASY SOFT versions are based on the use of an upholstered seat and a polypropylene backrest. This game of colours, materials and design, together with a huge variety of metal frames, make VOLÉE EASY SOFT the ideal seating for any public environment.
