PERSONAL DATA PROCESSED

"Data" means the information relating to natural persons processed by DIEMMEBI SPA for the establishment and execution of the contractual relationship with its customers/legal entities ("Customers"), such as those of the legal representative who signs the contract on behalf of the Customer, as well as the Customer's employees/consultants who are involved in the activities referred to in the contract. In the latter case, the source from which the Data originates is the Customer

PURPOSE OF THE PROCESSING

Purposes related to the establishment and execution of the contractual relationship between the Customer and DIEMMEBI SPA

Implementation of administrative-accounting requirements - such as accounting and treasury management, as well as invoicing (for example, verification and registration of invoices), in compliance with the requirements of the current legislation.

Extrajudicial debt recovery.

If necessary, to establish, exercise or defend the rights of the Data Controller in court.

LEGAL BASIS OF THE PROCESSING

Execution of the contract for the Data of the legal representative.

Legitimate interest in the Data of the Customer's employees/consultants involved in the activities mentioned in the contract.

Need to fulfil a legal obligation of DIEMMEBI SPA.

Legitimate interest.

Legitimate interest.

DATA STORAGE PERIOD

Contract duration and, after termination, 10 years.
In the case of litigation, for its entire duration until the end of the terms for filing any appeals.

Once the aforementioned storage terms have expired, the Data will be destroyed or anonymised, compatibly with technical deletion and backup procedures.

PROVISION OF DATA

The provision of data is required for the signing of the contract and/or its execution. The refusal to provide the Data does not, therefore, allow to establish the contractual relationship and/or fulfil the consequent obligations.

DATA RECIPIENTS

The Data may be disclosed to third parties acting as **data controllers**; e.g., authorities and supervisory and control bodies and, in general, any subjects, either public or private, entitled to request the Data.

The Data may be processed, on behalf of the data controller, by third parties appointed as **data supervisors**, which carry out specific activities on behalf of the data controller: e.g., accounting, tax and insurance, sending correspondence, management of collections and payments, etc.

SUBJECTS AUTHORISED FOR PROCESSING

The Data may be processed by employees of company departments appointed to fulfil the aforementioned purposes, which have been expressly authorised for processing and have received adequate operating instructions.

RIGHTS OF THE DATA SUBJECT - CLAIMS TO THE ITALIAN DATA PROTECTION AUTHORITY

By contacting DIEMMEBI SPA by email at info@diemmebi.com, the data subject may request DIEMMEBI SPA to access the data concerning them, their deletion, the rectification of inaccurate data, the addition to complete incomplete data, the deletion of data, the limitation of processing in the cases provided for by Art. 18 GDPR, as well as opposing the processing carried out in the legitimate interest of the data controller.

Furthermore, if the processing is based on consent or the contract and is carried out with automated tools, the data subject has the right to receive the Data in a structured format, which is commonly used and automatically readable, as well as, if technically feasible, to pass them on to another data controller without impediment. The data subject has the right to file a complaint with the competent control authority in the Member State in which they habitually reside or work or in the State where the alleged violation occurred.

The data subject has the right to revoke the consent given at any time for marketing purposes and to object to the processing of the Data processed for the same purposes. This is without prejudice to the possibility that the data subject prefers to be contacted for the aforementioned purpose exclusively through traditional methods to express their objection only to receiving communications through automated means.
